MARCH 2025

 Dear Parents, Caregivers, & Students,

This month, we are excited to celebrate not only St. Patrick's Day but also National Breakfast Week! At NDS, we are dedicated to providing students with a wonderful meal to start their day.

As we embrace the season, we are reminded of the symbolism of the three-leaf clover. The shamrock, a three-leaf clover, has been associated with Ireland for centuries. Known as the "seamroy" by the Celts, it was considered a sacred plant symbolizing the arrival of spring. Legend says that each leaf of the clover represents Hope, Faith, Love, and Luck. While the odds of finding a four-leaf clover are 1 in 10,000, we can assure you that the odds of students enjoying a great meal with NDS are always 100%. We look forward to sharing a memorable month filled with delicious meals and fun celebrations with your children!

National Breakfast Week

Get your magnifying glass, put on your detective hat, and clue into National School Breakfast Week! From March 3rd to March 7th, NDS will be celebrating the importance of a healthy start to the day in fueling a child's academic success. The school year can be a very busy time for families, and often, breakfast gets skipped. That's why school breakfast is such a great option!

It has been shown that students who eat school breakfast tend to have better attendance rates, fewer behavioral problems, higher levels of achievement in reading and math, and score better on standardized tests. The School Breakfast Program provides 12 million nutritious breakfasts to hungry children across the country every day. Make sure to stop by your school breakfast to find your clues to starting a great day!

National Wellness Month

March is National Wellness Month! It's the perfect time to focus on physical, mental, and emotional well-being. During this month, NDS is encouraging students to create healthy habits that will last long after March is over. These habits can include getting 8 hours of sleep, practicing mindfulness and meditation, eating a balanced diet, and engaging in regular exercise. At NDS, we support these efforts by providing students with healthy meals that include a variety of foods from all five food groups: fruits, vegetables, whole grains, protein, and dairy. Fuel up during the month with NDS breakfast & lunch!

Dairy

Did you know U.S. cows produce about 21 billion gallons of milk annually? In March, we celebrate the benefits of milk, which is produced by family-owned farms in every state. With new technology, farmers keep cows healthy while providing milk rich in protein, calcium, and vitamins A & D—great for strong bones and teeth. Fun fact: Chocolate milk helps rehydrate and refuel muscles after a workout!

Prayer

Thank you for this wonderful breakfast and the energy it gives us. Bless those who prepared it, and help us use this strength to do good today. Amen.
