Dear Parents, Caregivers, & Students,

We hope your summer was filled with fun, rest, and unforgettable memories. As we kick off a brand-new school year, NDS is thrilled to welcome back all staff, students, and families!

A healthy mind starts with a healthy meal, so be sure to fuel your success with a nutritious start! Be sure to visit your lunchroom each morning for a nutritious and delicious breakfast that helps boost focus, energy, and learning. And don't forget to return at lunchtime for a well-balanced meal to keep you going strong throughout the day.

Whether it's whole grains, fresh fruits, or protein-packed options, NDS school meals are designed to support students' academic success and overall well-being!

Let's make this school year one to remember—full of learning, growth, and great memories. Here's to a strong and healthy start!

Try It Tuesday Challenge!

Are you ready to be a food explorer? Every Tuesday, NDS encourages students to try something new on the menu. It could be something colorful, crunchy, or even a little surprising! So keep an open mind, be bold, be brave, and try something new on Tuesdays! If you tried something new let the lunch manager know because your feedback helps NDS plan fun and healthy meals.

Peppers!

Peppers come in all sorts of colors—red, green, yellow, and even purple! They're crunchy, sweet or sometimes a little spicy, and packed with vitamin C to help keep you healthy. You can eat them raw, dip them in hummus, or add them to your favorite meals. Try a new color next time and see which one you like best!

Healthy Habits Tip

Did you know your body is made up of mostly water? That's why staying hydrated is super important, especially when you're running, playing, or learning hard at school!

Water helps you:

- Stay focused in class
- Keep your body cool on hot days
- Boost your energy and mood
- Keep your skin and muscles healthy

How to make it a habit:

- Bring a reusable water bottle to school
- Take sips during the day, especially after recess or PE
- Choose water instead of sugary drinks

Gratitude Corner

Thank you for this moment, this breath, this life. May we see the good, hold it close, and share it freely. Let gratitude light our way.
