OCTOBER 2025

Dear Parents, Caregivers, & Students

As the leaves turn, NDS is serving up warm, nutritious meals to keep students energized all month long. Thank you for your continued support in making healthy choices a part of every school day. NDS is excited to celebrate the season with comforting favorites and a few festive surprises!

Healthy Swaps

Hey explorers! Ready to fuel up for your next big adventure? Swap out sugary snacks for tasty treats from around the globe—like crunchy carrots from the USA, juicy mangoes from India, or sweet potato fries inspired by African cuisine. Sip on sparkling water with fruit like they do in Italy, and try banana “nice cream” for a tropical twist from the islands. Healthy swaps help you stay energized for every journey—whether you’re climbing mountains or just conquering the playground!

Fun Facts

Apples are 25% air and 75% water, which allows them to float above the water. This makes them perfect for bobbing for apples!

National Lunch Week

National School Lunch Week is a fun time to celebrate the tasty, healthy meals we enjoy at school—and to thank the awesome cafeteria staff who make it all happen! This year’s theme, “Taste the World: Your School Lunch Passport,” invites students to explore global cuisines and share stories about their favorite international foods. From October 13th to 17th, we’ll celebrate the flavors that bring us together and learn more about the cultures behind every bite!
