MARCH

2026

Pot of Gold

March is chock-full of magical fun! Spring is on its way, bringing fresh starts, blooming flowers, and brighter days. March is also National Wellness Month, a great time to take care of our bodies, minds, and feelings by moving, resting, and being kind to ourselves and others. Plus, it's National School Breakfast Week—so don't forget to eat a healthy breakfast to fuel your brain and body and help you learn and play your best every day!

Spring Into Wellness

Spring is here! The first day of spring is a great time to build healthy habits like eating colorful fruits and veggies, drinking plenty of water, and staying active outdoors. As we welcome the season of growth, NDS is also looking for members to join our Wellness Committee to help promote healthy schools and strong communities. Parents, educators, and community members are encouraged to get involved and share ideas that support student wellness. All meetings are virtual; please contact NDS (jfalk@ndsarch.org) for more information.

National School Breakfast Week

Hear ye, hear ye! Get ready to conquer the school day as we go on The Quest for School Breakfast! From March 2nd to March 6th, NDS will be celebrating the importance of a healthy start to the day during National School Breakfast Week. The School Breakfast Program provides 12 million nutritious breakfasts to hungry children across the country every day. A healthy breakfast fuels the brain and body for learning and play. Join the quest by enjoying school breakfast, trying new menu items, and taking part in fun activities and challenges throughout the week. It's a royal way to start every day!

Brave Knight, decorate your shield with all the mighty and delicious breakfast foods you enjoyed during National Breakfast Week!

Leprechauns

March is the month of leprechauns! Leprechauns come from Irish folklore and have been part of Irish stories for hundreds of years! Long ago, people believed these tiny shoemakers were very clever and loved to protect their pots of gold. Today, leprechauns are known for their tricky ways and lucky magic. Can you find all 17 sneaky leprechauns hiding on this page? Look closely, they love to play tricks!

Recycled Flowers

Spring is here, and that means sunshine, colorful flowers, and new beginnings! To celebrate, we're getting creative with a fun craft of making flowers out of recycled materials! Just like spring gives new life to the world, we can give new life to materials by reusing them instead of throwing them away.

- Gather Materials: Collect items like cardboard tubes, newspaper, magazines, plastic bottles, or bottle caps.
- Create Petals: Cut petal shapes from your chosen material
- Form Petals: Shape them by rolling, curling, or bending
- Assemble the Flower: Glue petals around a central point from the inside out, layering them for fullness.
- Decorate: Paint, color with markers, or add glitter for extra flair
